Re: Las Virgenes Municipal Water District Bio Filter Improvements

Dear Mr. Tim Malki:

This letter confirms our appreciation of and satisfaction with the work performed on the above mentioned project by Daniel Mechanical. We were especially encouraged by the attention to the scheduling requirements of the agency and the trouble free installation of the large diameter buried FRP duct and the AMCA rated damper. The professionalism demonstrated encourages us to do business again in the future.

Very truly yours,

G. B. COOKE, INC.
