Re: Eastern Municipal Water District - Hemet/San Jacinto Chlorination System Upgrade

Subject: Letter of recommendation - performance of contract agreement

Dear Laura,

Please regard this letter as confirmation of JW Contracting Corp. satisfaction with the performance and execution of the contract agreement with Daniel Mechanical. The FRP Ductwork supplied by Daniel Mechanical was manufactured and delivered ahead of schedule. The quality of product and customer service of your company were outstanding. As a general contractor these are the things I consider most important when choosing a vendor or a subcontractor. It was a pleasure doing business with Daniel Mechanical and hope to continue on future projects.

Sincerely,

A handwritten signature in cursive script that reads "Paul Schuessler".

Paul Schuessler
