Hyperion C-117 / Phase II  
Full Secondary Treatment Facility

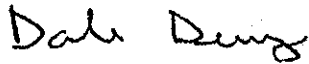

To Whom It May Concern:

Daniel Mechanical has provided the odor control systems and chemical tanks to the satisfaction of the City of Los Angeles and Tutor-Saliba-Perini-Scott.

Tutor-Saliba-Perini-Scott recommends them for these types of installations because of their expertise in these fields.

Should you have any questions concerning their abilities please contact the undersigned at (310) 538-4200 ext. 349.

Dale Denney,

Mechanical Superintendent  
Tutor-Saliba-Perini-Scott J.V.
